## Office Interiors

Avanta UK Ltd is one of the UK's leading companies who design and install office partitioning throughout the UK. All Avanta interior equipment and office partitions are priced quickly and competitively backed with our free no obligation site surveys.

We supply and install a comprehensive range of office partitioning systems including glass partitions and solid office partitions. Avanta UK Ltd are a Komfort approved contractor installing the whole Komfort range of office partitions throughout the UK at a competitive price.

Uncomplicated in design, **600 Series office partitioning** is slim-line with a choice of crisp angular or soft radiused profiles. Through a little creativity it can evolve from a functional system, suiting most applications, to stamp its mark as a design statement.

**Kameo 75 partitioning** offers the designer soft lines of radiused corners. When it comes to safety Kameo 75 has tremendous acoustic performance and fire protection.

A steel stud and plasterboard construction surrounded by an aluminium framework. This framework, together with the finishing trims, may be sprayed in any BS or RAL colour to complement each design.

*Komfire partitioning*

**Komfire partitions** offer the designer a distinct angular style incorporated with the benefits of great acoustic performance and fire protection. Komfire is of steel stud and plasterboard construction surrounded by an aluminium framework.

Tactile as well as distinctive, our veneered **Klassic partitions** bring charm to any office interior. Its uncomplicated method of build, allows the system to be easily relocated. One of Klassic's greatest assets is its performance quality. Tests have achieved 30 minutes fire resistance for both insulation and integrity and 45dB (Rw) sound reduction in solid runs.

*Klassic partitioning*

**Polar glass partitions** allows light to flood through the workplace to create an atmosphere of space, yet effectively provides shielded office zones where concentration and creativity may flourish.

**Ls90** is the reusable bi-panel partition system for sustainable buildings. This bi-panel characteristic facilitates speed of build with quality-controlled factory prepared elements. Modules are interchangeable from glass to solid without disturbance to adjacent components.

**HL Enhance office screens** offer a high level executive screening system to meet the changing criteria of the modern office. Quick assembly and easy repositioning.

The **K7 Freestyle office 'pod'** creates an atmosphere of seclusion. This individual screening system provides acoustic privacy, an effective cable management and optional ambient lighting.

## Office Shelving

Having the right storage system is key to operating an effective document and data management system.

Ideal for storing:-

- Hanging / box files
- Lloyd George boxes
- Digital data
- Lever arch files
- Archive boxes
- Medical records

and much more

**The major advantages of Avanta archive shelving are the slim profile shelves and frames** which give runs of shelving a neat, co-ordinated appearance. This design feature, coupled with colour options on frames and optional decorative end cladding makes it ideal for use in offices and commercial environments.

**Avanta archive shelving is available in static and mobile configurations.**

SUSPENDED CEILINGS  
CUPBOARDS & CABINETS

**Rotary cabinets** offer high-density, secure storage for all those files you need to consult frequently. No more rooting through filing cabinets or having to leave the office to find a vital document, these cabinets keep everything you need close to where its needed.

*Ingenious and versatile, KM<sup>3</sup> Storagewall not only provides impressive storage capabilities but it can also double as a partition*

*Comprehensive range of cupboards*

**Our filing cabinets are built to last,** featuring a one-piece carcass, fully welded construction and double skin drawer fronts. Drawers are mounted on roller bearing slides with a positive closing device, providing ultra-smooth action and full extension for access to the whole drawer.

Suitable for conversion to Dutch Folio, A4 or American Letter suspension files and a two, three and four drawer A4 cabinet.

## Space Planning:

With relocation of your existing business a costly prospect, we are also able to show you how your existing space can be redesigned to encompass style, optimise space, and maximise productivity.

## Office Interior Design:

The right working environment is at the heart of any successful organisation. It enhances efficiency, boosts productivity and presents a professional image.

Combining partitioning systems, suspended ceilings and a comprehensive range of office furniture, Avanta UK designs and refines your office and other work areas.

Our skilled installers work with minimum disruption and ensure the highest quality finish.
