Cubio & Verso  
cabinets & workbenches

# Workplace Equipment

Avanta UK Ltd offer a comprehensive range of standard and bespoke workbenches, handling and workshop storage solutions.

DEALER PARTNER

This includes, The Bott Cubio and Verso ranges of industrial workplace, office & workshop storage equipment including drawer cabinets, storage cupboards, workbenches and chairs, mobile storage, & CNC systems.

*Cubio mobile workbench*

**Cubio workbenches** are robust and versatile workstations, with high load capacities and multiple storage options.

**Bott Verso range** of industrial workplace, office & workshop storage equipment including drawer cabinets, storage cupboards, workbenches & mobile storage.

Built to the same high standard as Cubio but designed to be used in environments where heavy duty is not necessarily key.

*Verso workbench*

- CUBIO WORKBENCHES
- VERSO RANGE
- WELDED WORKBENCHES
- ASSEMBLY WORKBENCHES
- DRAWER UNITS
- CONSTRUCTION SYSTEMS
- CONVEYOR SYSTEMS

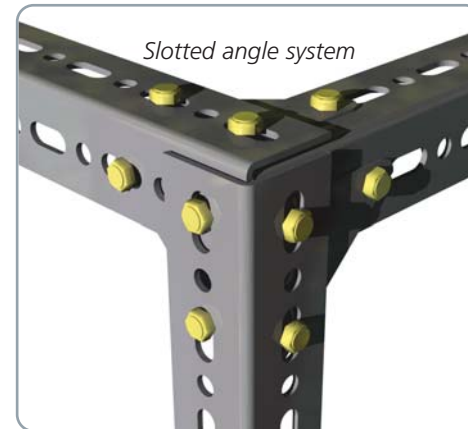

*Bespoke workbench c/w marmoleum worktop and underbench storage*

Bespoke **Workbenches** can be constructed from fabricated steel section with welded leg supports and bolt in multi-position cross rails, which can be assembled in a variety of combinations to suit individual applications.

**Avanta also specialise in bespoke packing workbenches.**

**Slotted angle and square tube construction systems** are bolt together, versatile, no-nonsense, hard wearing, multi-purpose construction system. Ideal for building - shelving, trolleys, benches, partitioning and frameworks.

*Slotted angle system*

Bespoke medical storage

Our full range of Workplace Equipment is available at [www.avantauk.com](http://www.avantauk.com)

Comprehensive range of storage systems

- INDUSTRIAL CUPBOARDS
- HAZARDOUS CABINETS
- WORKSHOP TROLLEYS
- LOCKER SYSTEMS
- CLOAKROOM EQUIPMENT
- INDUSTRIAL CHAIRS

Typical locker installation.

Changing room installation using lockers & island seating

Our **Locker systems** are manufactured to the highest standards using quality components and are of a robust construction with a durable attractive finish. All mild steel lockers are finished in hygienic hard wearing anti-bacterial powder coat.

Combining robust design with a heavy gauge double skin door to guard against leverage and impact, **Stronghold lockers** are hard to beat when it comes to long lasting security. The heavy duty 5 knuckle hinge is welded to the door, but riveted to the frame to allow for easy replacement.

Heavy duty lockers

## Locker Rooms:

Avanta UK Ltd offer a full locker room design and installation service comprising:-

### Lockers

- Steel, Trespa, Laminate, Timber, Plastic, Stainless Steel, Heavy Duty Security

### Locker accessories

- Sloping Tops, Locking Options, Stands & Seating

### We can provide:-

- Flooring, Building Works, Suspended Ceilings, Associated Mechanical & Electrical Installations

Steel lockers are **antibacterial powder coated**. The coating contains active silver ions that penetrate the bacteria cell walls inhibiting bacterial growth.

**Avanta lockers** are used in various sectors including health, education, factories and offices etc.
