WORKSPACE CREATION

## Simple, tap together, general purpose shelving.

Quickly and easily assembled, requiring only a rubber mallet, this range of products offers fast and economic solutions to everyday storage problems.

Available in a range of robust colourful finishes, or with pregalvatite uprights and beams, these units are at home in any environment. With 18mm FSC-certified sustainable chipboard shelves as standard and a wide range of depths and widths, the Just Range offers flexible and cost effective solutions.

Supplied as ready to build units, shelving bays are available with optional extra shelf levels for adaptability or can be designed to your specific needs.

Ask about our complete installation service and all of our other storage products.

*\*All loadings shown are for Uniformly Distributed Loads.*

## It's so Quick and Easy

- Simple tap-together construction
- No fiddly nuts and bolts
- Bays assembled within 10 minutes!

Unpack and assemble framework by simply tapping together...

...with framework complete, just put the shelves into position.

# Just Shelving

## Heavy Duty

**Strong and robust adjustable shelving for manufacturing, engineering and production environments. The heavy duty design offers simple and fast assembly, giving you quick solutions to your storage needs.**

3 Shelf units with 18mm chipboard. Bays comprise 4 uprights, 3 shelf levels with channel beams, beam ties as required, feet and assembly instructions. Bays are available with 4 upright colours as standard and will be supplied with Light Grey beams unless otherwise specified.

### PAINTED FINISH
